Business Barometer®: Small business confidence index, provinces

Survey question: How do you expect your firm to be performing in 12 months compared to now?

Survey question: Allowing for normal seasonal influences, what are your business performance expectations for the next 3 or 4 months?

Source: CFIB, Your business outlook survey, February 2009 - December 2025. 355 responses received from December 2-8.

Note: • Historical averages. **Data presented by 12-month moving average *Data presented by 3-month moving average. Index > 50 = more businesses expecting stronger performance than weaker performance
