### Progress made to date:

- Opposing carbon taxes and finding better ways to help lower emissions;
- Raising the Small Business Corporate Income Tax Threshold to \$500,000;
- Opposing a \$15 minimum wage;
- Reducing red tape and measuring progress (2-for-1 rule).

### More work left to do:

- Increasing the Basic Personal Exemption by \$2,000 before 2020;
- Reduce the PST to 7 per cent before 2020;
- Get back to balanced budgets by 2022 by reducing the cost of government;
- Refund the \$254 million WCB surplus back to employers over one year;
- Increase and index the Manitoba Payroll Tax threshold, and reduce the rate;
- Reduce school taxes on farmland and other commercial properties;
- Other \_\_\_\_\_.

## Working hard to deliver results for your business:

Proud to stand with Manitoba business owners and farm families to voice our concerns over the proposed federal tax changes #mbpoli #cdnpoli

Premier Pallister stands with CFIB against federal tax changes

## Fighting a costly carbon tax

Raising concerns about a net tax increase in the 2018 budget

## Pushing for a rebate of the \$254 million WCB surplus

Delivered over 2,500 signed petitions to Premier Pallister and Minister Pedersen
