Progress made to date:

- Reinstatement of PST exemption for agriculture (crop, livestock & hail insurance premiums), as well as individual and group life & health insurance premiums;
- Increasing the Small Business Corporate Income Tax Threshold to \$600,000;
- Opposing a \$15 minimum wage;
- Sask WCB rebating back your money; 100% of its \$281.5M surplus from 2015 & rebating 100% of its \$141M surplus from 2014; and
- Introducing a *'Help Cut Red Tape'* Web Page where businesses can submit their red tape headaches & have them addressed.

More work left to do:

- Oppose giving increased taxation powers to municipalities;
- Remove the PST from items such as construction labour, restaurant meals and other insurance products such as property & vehicle insurance;
- Continue to aggressively oppose a costly federally imposed carbon tax;
- Allow for voluntary WCB coverage for directors of corporations, as in AB & MB;
- Consider the cost of a new statutory holiday in Saskatchewan; and
- Other _____.

Premier Moe Values Your Voice!

“Thanks to the CFIB for meeting today to discuss upcoming budget priorities and strong opposition to the Trudeau carbon tax.

Also pleased to accept an “A” on the Red Tape Report Card 2019, on behalf of the province for helping reduce excess red tape burdens on people & businesses.

We’ll continue listening to the voice of our job creators as we look to build an even stronger Saskatchewan.”

Hon. Scott Moe, Premier of Saskatchewan, February, 2019
