### Progress made to date:

- Reduced the PST to 7 per cent;
- Opposing carbon taxes and finding better ways to help lower emissions;
- Raised the Small Business Corporate Income Tax Threshold to \$500,000;
- Manitoba WCB rebated \$74 million of the surplus back to employers in 2019;
- Opposing a \$15 minimum wage;
- Reducing red tape and measuring progress (2-for-1 rule).

### Commitments to date:

- Eliminate school taxes on farmland and other commercial properties;
- Balance the budget in 2022 by reducing the cost of government.

### More work left to do:

- Increase the Basic Personal Exemption by \$2,000 before 2020;
- Increase and index the Manitoba Payroll Tax threshold, and reduce the rate;
- WCB must refund the remaining \$165 million surplus to employers in 2020;
- Other \_\_\_\_\_.

## Working hard to deliver results for your business:

Following

Proud to stand with Manitoba business owners and farm families to voice our concerns over the proposed federal tax changes #mbpoli #cdnpoli

Premier Pallister stands with CFIB against federal tax changes

 **Wab Kinew** ✓  
@WabKinew

Picked up some great novels at Burton Lysecki Books for #SmallBizSaturday I ❤️ to Read and I also love to support locally owned small businesses that help power our local economies. I hope you can do the same because Burton Lysecki > Amazon

Working with all parties to make small business their big focus

## Pushing small business priorities for Government of Manitoba

CFIB's Board of Governors discussing election commitments with Premier Pallister (4<sup>th</sup> from left) and Minister Pedersen (2<sup>nd</sup> from left) on October 22<sup>nd</sup>, 2019
